**INTEGRA'S RESPONSE TO STAFF'S FIRST RFI**

**Staff 1-1** Please refer to Section 1.02 (Miscellaneous Fees) of the Sewer Utility Tariff provided in Integra's Application,<sup>1</sup> where Integra requested an Application Fee of \$20. Please explain why Integra is requesting this fee and whether this fee is allowed by 16 TAC § 24.163(e), which states: "***Other Fees for Service Applicants. Except for an affected county, utilities shall not charge membership fees or application fees.***"

**RESPONSE:** Integra's business practice in other states where it provides sewer service relies on an Application Fee instead of using a customer deposit. Integra is open to working with the Commission on designing a tariff that allows it to recover its costs necessary to provide safe and adequate service.
