Re: Provision of Confidential information in Project No. 51705

To Whom It May Concern:

Today Oncor Electric Delivery Company LLC filed a CD in central records containing certain critical energy infrastructure information, including locational coordinate point data. This information is provided confidentially pursuant to the requirements of P.U.C. SUBST. R. 25.83. The form *Instructions for Monthly Transmission Construction Progress Report for Electric Utilities*, states that "The Commission believes that the locational coordinate point data and attribute data relate to critical infrastructure as defined in Texas Government Code § 421.001 and are designated as confidential under Texas Government Code §§ 418.177 and 418.181."

As stated above, the CD contains confidential critical energy infrastructure information. Oncor respectfully requests that the confidential information be withheld from public disclosure.

Please contact me if you have any questions or need any additional information concerning Oncor Electric Delivery Company's positions as presented herein.

Respectfully submitted,
