Re: Project No. 51761 – 2021 4th Quarter Performance Measure Report of  
Energy Harbor LLC (Certificate No. 10274)

Dear Staff:

Energy Harbor LLC (“Energy Harbor”), a certified retail electric provider (“REP”) in Texas, submits this letter pursuant to TAC § 25.88, which requires the submission of quarterly retail market performance measure reporting no later than the 45<sup>th</sup> day following the end of the preceding quarterly reporting period.

Energy Harbor did not serve any retail customers in Texas during the quarterly period covered by the report, i.e., October 1, 2021 through December 31, 2021. As it did not serve any customers during the reporting period, Energy Harbor submits this letter in lieu of the quarterly performance measure report. If you have any questions or concerns about this information, please do not hesitate to contact me at (330) 315-7385 or by email at LThomas@energyharbor.com.

Very truly yours,
