Re: Project No. 51761, *Retail Performance Measure Reports Pursuant to PUC Subst. R.*
§25.88 Beginning 1st Quarter 2021

Dear Filing Clerk:

Please accept for filing in the above-referenced proceeding the performance measures report of Engie Resources LLC (“Engie”) for the *fourth* quarter of 2021. The measures required for retail electric providers (“REPs”) are:

Measure A-1	Customers served by REPs
Measure C	Technical Field Performance

Attached is the required report attestation, which is being filed publicly. Engie is also submitting confidentially and under seal the information for the measures set forth above and the required analysis thereof, which discusses and reveals that information. That information and analysis are being submitted as confidential documents pursuant to 16 Tex. Admin Code § 22.71. Engie notes that in connection with Measure A-1, which requires it to file both paper and electronic copies of its DOE EIA reports, Engie considers these reports to constitute confidential information and has submitted these reports electronically only through the interchange’s new confidential submission process.
