RE: Project No. 51761 - Retail Performance Measure Reports Under 16 Tac 25.88 4th Quarter 2021

Dear Central Records Clerk:

Summer Energy LLC, which holds Retail Electric Provider ("REP") Certificate No. 10205, and does business as Summer Energy and Pronto Power, is filing the Retail Performance Measure Report for the 4th Quarter of 2021 including:

- Measure A-1: Customers Served by REPs – filed confidentially
- Measure A-2: Number of Active REPs – 1
- Measure C: Technical Field Performance – filed confidentially

Attached to this filing is the attestation by an officer of the REP that the information in the submitted Retail Performance Measure Report is accurate in all material respects.

The Retail Performance Measure Report is being filed with the Commission pursuant to the confidential filing procedures stated in 16 TAC § 22.71 as it contains information that is confidential and exempt from disclosure under §§ 552.101 and 552.110 of the Texas Government Code. The report contains sensitive commercial and financial trade secret information that Summer Energy has taken reasonable measures to protect. If this information were disclosed, it would provide competitors with an advantage, to the detriment of Summer Energy.
