STATUS REPORT

COMES NOW Declaration Energy LLC ("Declaration Energy") and files this Status Report. In support thereof, Declaration Energy shows the following:

I. BACKGROUND

On February 1, 2021, Declaration Energy filed an amendment to its retail electric provider certificate reflecting the departure of one of its officers. Declaration had relied on this officer to meet the technical experience requirements contained in the Commission's rules.

On February 19, 2021, Declaration Energy filed an unopposed motion to abate this docket for sixty (60) days while it sought to find a replacement for its recently departed officer, and the Administrative Law Judge ("ALJ") granted this request on February 26, 2021. The ALJ set April 23, 2021, as the date for the parties to file a status report.

II. STATUS REPORT AND REQUEST FOR CONTINUED ABATEMENT

Declaration is finalizing its plans to be able to meet the technical experience requirements, but it requires an additional thirty (30) days to do so. Declaration requests that this docket remain abated for an additional thirty (30) days. Commission Staff is unopposed to this request as Declaration is not serving any customers.

III. CONCLUSION

Declaration Energy respectfully requests the ALJ issue an order continuing the abatement for an additional (30) days.
