**SUPPLEMENT TO PETITION BY WUSF 5 ROCK CREEK EAST, LP
AND WALTON TEXAS, LP FOR REVISED MAPPING ITEMS**

TO THE PUBLIC UTILITY COMMISSION OF TEXAS:

WUSF 5 Rock Creek East, LP (“WUSF 5”) and Walton Texas, LP (“Walton Texas”) (collectively referred to as the “Petitioners”) file this supplement to the petition for expedited release from water certificate of convenience and necessity (“CCN”) No. 10081, held by Weston Water Supply Corporation (“Weston WSC”), filed by Petitioners on February 5, 2021 with the Public Utility Commission of Texas (the “PUC”) for expedited release. This supplement is being filed in order to cure the mapping deficiencies noted in the March 5th Memorandum prepared by the Staff of the Public Utility Commission. The property owned by Petitioners is now appropriately reflected in the Revised General Location Map, Revised Detailed Map and Digital Mapping Data provided to the PUC.

CONCLUSION AND PRAYER

The information provided in this supplement demonstrates that Petitioners are the owners of the Property that is subject of this petition for streamlined expedited release from water CCN No. 10081. Accordingly, Petitioners are entitled to a release of the portions of the property that are within CCN No. 10081. Petitioners respectfully request that the PUC find the supplemental mapping items cure the mapping deficiencies previously noted and declare the petition administratively complete.

Respectfully submitted,

WINSTEAD PC
