Dear Sir;

PUBLIC UTILITY COMMISSION
FILING CLERK

Do not let Southwestern Power have a rate increase, They just had one about 2 years ago.

Right now people are out of work, with Covid-19. We are in the middle of a pandemic, people are sick, standing in food lines and they want more money.

In the summer I pay \$400. a month and have my thermostat set at 85. My social Security sure has not had any great increase.

They can knuckle down like every one else.
