Re: Letter in Support of TEAM's Emergency Request

Dear Commissioners,

I am writing in support of the Texas Energy Association for Marketers ("TEAM") request to direct ERCOT to remove the administrative \$9,000/MWh price adders during the winter storm last month.

Families and businesses continue to suffer from the economic and personal fallout following the winter storm. Any relief that can be offered is essential as we move forward as a state.

I appreciate your attention to this matter and your consideration of this request.

Regards,
