**COMMISSION STAFF'S REQUEST FOR EXTENSION**

On February 23, 2021, Undine Texas, LLC (Undine) filed an application for approval of pass-through rate increases under 16 Texas Administrative Code § 24.25(b)(2).

The Notice Setting Deadline for Commission Staff Recommendation on the Application and Notice filed on March 1, 2021, directed the Staff of the Public Utility Commission of Texas (Staff) to file a recommendation on the application and notice, and propose a procedural schedule by March 15, 2021. Therefore, this pleading is timely filed.

**I. REQUEST FOR EXTENSION**

Under 16 TAC § 22.4(b), Staff may request that the time allowed for filing any documents be extended for good cause. Staff is still analyzing Undine's application, which includes proposed pass-through rate changes involving four separate pass-through calculations and requests this extension so that it may complete its review. Therefore, Staff requests that its deadline to file a recommendation on the application and notice, and propose a procedural be extended to March 29, 2021.

**II. CONCLUSION**

For the reasons specified above, Staff respectfully requests the entry of an order granting an extension of time for Staff to file a recommendation on the application and notice.

Date: March 12, 2021

Respectfully submitted,
