Re: Request for Approval to Change Billing Method for: Landmark at Laurel Heights
Formally Highlands at Galloway Apartments (S5391), Located at 4925 N Galloway Ave,
Mesquite, Texas 75150-1581

Dear Ms. Patterson:

The request submitted for Landmark at Laurel Heights Apartments to change from submetered billing to allocated billing is approved. This approval is based on the facts stated in your letter dated August 14, 2014.

Please note: a tenant's billing method cannot be changed unless they have signed a new lease or a lease addendum, and have been issued a notice at least 35 days prior to implementation of the new billing method. Please reference Title 30, Texas Administrative Code §291.123(c). In the situation where a tenant has been provided proper notice but has not signed a new lease or lease addendum, the property is not authorized to bill them under the new billing method and must continue to bill them in accordance with their existing lease.

Please complete the TCEQ-10363 and TCEQ-10400 forms enclosed and return them along with a copy of this letter. If you have any questions, please contact Debbie Reyes Tamayo at 512/239-4683 or by e-mail: debbie.reyes-tamayo@tceq.texas.gov.

Effective September 1, 2014, responsibility for regulating water and wastewater rates and CCNs will transfer to the Public Utility Commission of Texas (PUC). If responding before September 1, 2014, please continue to submit your information to TCEQ. After September 1, 2014, please submit your requests to the address below:
