Re: Request for Approval to Change Billing Method for **COLONIAL GRAND AT CANYON POINTE** formally called **ESCALON AT CANYON CREEK PHASE I Apartments (S2842)**

Dear Ms. Wade:

The requests submitted on behalf of **COLONIAL GRAND AT CANYON POINTE** formally called **ESCALON AT CANYON CREEK PHASE I APARTMENTS**, Registration **No. S2842**, to change from submetered to allocated billing is approved. This approval is based on the facts stated in your letter dated **October 10, 2013**.

Please note: a tenant's billing method cannot be changed unless they have signed a new lease or a lease addendum, and have been issued a notice at least 35 days prior to implementation of the new billing method. Please reference §291.123(c). In the situation where a tenant has been provided proper notice but has not signed a new lease or lease addendum, the property is not authorized to bill them under the new billing method and must continue to bill them in accordance with their existing lease.

Please complete the TCEQ-10363 and TCEQ-10400 forms attached and return them along with a copy of this letter. If you have any questions, please contact Debbie Reyes Tamayo at 512/239-4683 or by e-mail: [debbie.reyes-tamayo@tceq.texas.gov](mailto:debbie.reyes-tamayo@tceq.texas.gov).

Sincerely,

A handwritten signature in black ink that reads "Tammy Benter". The signature is fluid and cursive.

**RE: Conversion from Submetering to Allocation at Colonial Grand at Canyon Pointe**

Dear Curtis Fisher:

The submetering system at Colonial Grand at Canyon Pointe is an old submetering system in which is in need of replacement. Employees and contractors of Colonial Grand at Canyon Pointe have made diligent efforts to repair the meters without success.

The property has explored the feasibility of replacing the submetering system, but the cost would be prohibitive. Attached is a proposal for the upgrade to a new wireless meter reading system. As you can see, the cost is significant. Consequently, Colonial Grand at Canyon Pointe believe that good cause exists pursuant to Section 291.123(d) to change from submetered to allocated billing. The residents currently sign a Texas Apartment Association form lease which indicated that they will be responsible for water and wastewater and also sign a "Lease Addendum for Water/Wastewater Submeter Billing in Apartments" and receive the "Tenant Guide to Submetered Water or Wastewater Service". It is Colonial Grand at Canyon Pointe's intent to provide existing residents 35-day notice of the new allocation and request their written approval of such modification following Section 291.123(c).

Colonial Grand at Canyon Pointe intends to use the following allocation system: deduct five (5%) of the water/wastewater bill to account for common area and allocate the remaining ninety-five (95%) back to the residents based a factor using a combination of square footage and occupancy in which no more than 50% is based on square footage per Section 291.124(e)(ii)(A)(iv). There is irrigation is in use at the property which is separately metered and will be excluded/deducted, therefore the common usage deducted will be 5% per Section 291.124(e)(1)(B)(iv).

Please provide written approval of the conversion to water allocation billing for Colonial Grand at Canyon Pointe. If you have any questions, please do not hesitate to contact me.

Sincerely,

*Rebecca J. Wade*

**\$**

**67,904.00**

### Additional Information

Property will be notified one week prior to the scheduled service date

Property is responsible for resident notifications and providing keys to all units/areas where access is required. AUM is not responsible for repair work that cannot be performed due to refused entry.

Requests to inspect or service units not listed on estimate may be subject to additional fees.

Service will not be scheduled and parts will not be ordered prior to obtaining a signed service repair estimate.

Estimate includes all parts that would potentially be required. Only parts that are used will be on the final invoice.

Estimate does not include tax or shipping charges.

Upon completion of repairs, AUM will provide a report of service performed along with the invoice.

This estimate is valid for 60 days from date of estimate.

If the terms of this estimate are acceptable, please sign and date in the space provided below and submit a copy to AUM. Once received, AUM will schedule the service call, order the necessary parts and notify the date(s) of the service call. Warranty coverage does not include damage to systems caused by users, residents, maintenance personnel or modification to measured equipment.

Signature	Date
I hereby understand and agree with all the terms listed above and authorize AUM to perform the work as described above and invoice accordingly. I am authorized to approve this work and approve payment of such work.
