Re: Hunt Club Apartments, S1659

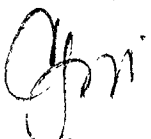

Dear Ms.Quentes,

This letter is in reference to The Hunt Club Apartments located on 1001 Fuller Wiser Rd., Euless, Texas 76039. Hunt Club Apartments is currently registered under the TCEQ guidelines as a sub metered water and sewer allocation property. After evaluating the condition of the current meters that are in place, it is our determination that the meters are not functioning properly and do not provide accurate readings of water usage to the residents.

Due to the significant cost; replacing and or repairing the current meters is not a financially feasible option at this time. In order to better serve our residents we respectfully request approval for Phase II of Huntington Lakes be switched to the allocation method for water and sewer. A 35 days notice will be sent to residents in accordance with your regulations.

Should you have any questions concerning the matter, please call 713-662-3220.

Sincerely,

Cindy Cappi
Regional Vice President
