ORDER NO. 2
FINDING PETITION INSUFFICIENT,
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE

This Order addresses the administrative completeness of the petition of the City of Pflugerville and Manville Water Supply Corporation for approval of a service-area contract under Texas Water Code § 13.248 and to amend their water certificates of convenience and necessity in Travis County.

The administrative law judge finds the petition is administratively incomplete and insufficient for further review in accordance with 16 Texas Administrative Code (TAC) § 24.8(b).

Under 16 TAC § 24.8(d), the Commission does not consider a petition filed until it finds the petition administratively complete. Thus, at this time the application is not considered filed with the Commission.

By May 3, 2021, Pflugerville and Manville must supplement the petition to cure the deficiencies described in the April 1, 2021 memorandum of Jolie Mathis, Utility Engineering Specialist, Legal Division. Until the Commission receives and reviews the supplemental information, the petition cannot proceed. The applicant must not issue notice until the petition is deemed administratively complete.

By June 2, 2021, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the petition, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 1st day of April 2021.
