In the fourth set, HHS zoomed out to a 12-3 advantage after a huge block by Sydney Dickson, and Sweeney leveled the match at two apiece with her setclinching kill. The Jags went on to take the fifth and deciding set.

Last Tuesday at Alvarado, the ho Lady Indians stunned HHS in the first set, but that motivated the Jags in the following three sets en route to a 23-25 25-10, 25-15, 25-15 result.

Sweeney continued to dominate the net with 14 kills, and added HHS served up 19 total as a team. Senior Kensey Clifton contributed 21 assists and 12 blocks.

Allie Schmidt double-doubled with 11 assists and 10 digs; Casey had four aces and two blocks; Rhali Adams added three aces and 14 digs; and Cayla Williams also had two blocks.

The Jags were scheduled to travel to Ferris on Tuesday for a 6 p.m. first serve. They will host Life Waxahachie on Friday at 4:30 p.m., and will travel to Venus next Tuesday for a 6 p.m. start. Following an open date next Friday, Oct. 22, they will close out the regular season on Tuesday, Oct. 26 at Hillsboro.

(Address)		

The City of Midlothian has filed an application with the Public Utility Commission of Texas to amend its Certificate of Convenience and Necessity (CCN) No. 11706 and to decertify a portion of Mountain Peak Special Utility District's water CCN No. 10908 for the provision of retail water utility service in Ellis County, Texas.

The requested area includes $\underline{201}$ customer connections, is located approximately $\underline{1.5}$ miles $\underline{\text{south-southeast}}$ of downtown $\underline{\text{Midlothian}}$, Texas, and is generally bounded on the north by $\underline{\text{Mt. Zion}}$ $\underline{\text{Road}}$; on the east by $\underline{\text{Oak Tree Lane}}$; on the south by $\underline{\text{SCS Reservoir No. 5}}$; and on the west by $\underline{\text{SCS Reservoir No. 5}}$; and on the west by $\underline{\text{SCS Reservoir No. 5}}$;

The requested area includes approximately $\underline{53}$ acres, comprised of $\underline{41}$ acres of uncertificated area; and $\underline{12}$ acres of decertified area (from CCN No. 10908).

The application proposes the addition of approximately <u>53</u> acres to CCN No. 11706. The application proposes the subtraction of approximately 12 acres from CCN No. 10908.

See enclosed map showing the requested area.

Persons who wish to intervene in the proceeding or comment upon action sought should contact the Public Utility Commission, P.O. Box 13326, Austin, Texas 78711-3326, or call the Public Utility Commission at (512) 936-7120 or (888) 782-8477. Hearing- and speech-impaired individuals with text telephones (TTY) may contact the commission at (512) 936-7136. The deadline for intervention in the proceeding is (30 days from the mailing or publication of notice, whichever occurs later, unless otherwise provided by the presiding officer). You must send a letter requesting intervention to the commission which is received by that date. The letter must include the person's name, address, email address and fax number if applicable.

If a valid public hearing is requested, the Commission will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for final decision. An evidentiary hearing is a legal proceeding similar to a civil trial in state district court.

A landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the requested area, may file a written request with the Commission to be excluded from the requested area ("opt out") within (30) days from the date that notice was provided by the Utility. All opt out requests must include a large-scale map, a metes and bounds description of the landowner's tract of land, landowner's name, address, email address and fax number, if applicable.

Persons who wish to request this option should file the required documents with the: Notice Form Updated: September 17, 2021
