Re: Docket No. 51877, Application of L and T Waterworks LLC and Monarch Utilities I L.P. for Sale, Transfer, or Merger of Facilities and Certificate Rights in Freestone and Henderson Counties

To the Commission:

In the Commission Staff's Response to Order No 7, dated October 7, 2021, the staff proposed October 15, 2021 as the deadline for the applicants (Monarch) to file with the Commission signed affidavits that the notice was given along with a copy of the notice and map sent to the affected parties. Order No. 9 issued on October 8, 2021 approved that date as the notice affidavit deadline.

In response, Monarch respectfully requests the deadline for providing notice affidavits and a copy of the notice be extended by 31 days and set as November 15, 2021.

This request is not intended for the purpose of unnecessary delay and Monarch intends to do all it can so that this docket can be processed in a timely manner. Monarch is copying the Commission staff and is requesting their agreement.

Please let me know if any additional information is needed at this time.

Sincerely,

/s/ George Freitag
