**ORDER NO. 18
REQUIRING UPDATE**

This Order addresses the July 5, 2022 joint motion to admit evidence and proposed notice of approval filed by L and T Waterworks LLC, Monarch Utilities I L.P., and Commission Staff. Because the application and amended application at issue in this docket were filed more than one year ago, the administrative law judge requires Monarch to provide an updated compliance history report.

By July 29, 2022, Monarch must file an up-to-date compliance history report, as required by question 18 of the application. By August 5, 2022, Commission Staff must file an amended recommendation on the transaction, if appropriate.

Signed at Austin, Texas the 20th day of July 2022.
