**ORDER NO. 2
FINDING APPLICATION INCOMPLETE AND DEFICIENT, ESTABLISHING AN
OPPORTUNITY TO CURE, AND ENTERING PROTECTIVE ORDER**

This Order addresses the March 8, 2021 application of L and T Waterworks LLC and Monarch Utilities I, L.P. for sale, transfer, or merger of facilities and certificate rights in Freestone and Henderson counties. On March 15, 2021, the applicants filed supplemental and confidential materials.

The administrative law judge (ALJ) finds the application administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application is administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before May 6, 2021, the applicants must supplement the application to cure the deficiencies as described in the April 8, 2021 memorandum of Patricia Garcia. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicants must not issue notice until the application is deemed administratively complete.

On or before May 27, 2021, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Further, the ALJ enters the attached standard protective order to govern the use of confidential and highly sensitive documents in this proceeding

Signed at Austin, Texas the 12 day of April 2021.
