**ORDER NO. 26
REQUIRING CLARIFICATION**

This Order addresses the March 10, 2023 joint motion to admit additional evidence and proposed notice of approval. The administrative law judge requires clarification regarding the final maps, certificate, and tariff.

The joint motion to admit evidence requests to admit the map, certificate, and tariff in interchange item number 66; however, there are no maps, certificate, or tariff in that item. There are maps, a certificate, and tariff attached to the parties' joint motion to admit additional evidence. By April 5, 2023, the parties must clarify whether the maps, certificate, and tariff are the versions they request to be admitted into evidence and file an updated motion to admit evidence.

Signed at Austin, Texas the 22nd day of March 2023.
