**ORDER NO. 6  
GRANTING EXTENSION AND REVISING DEADLINES**

This Order addresses the City of Sweetwater's July 8, 2021 request to extend the deadline to supplement its application. Sweetwater states that settlement discussions are ongoing between itself, Bitter Creek Water Supply Corporation, and the landowner, Georgia Pacific Gypsum, LLC. Sweetwater represents that the above parties do not oppose the motion for extension and that it was unable to obtain a response from Commission Staff.

The administrative law judge (ALJ) grants Sweetwater's motion for extension.

By August 9, 2021, Sweetwater must supplement the application to cure the deficiencies described in the June 9, 2021 memorandum of Patricia Garcia. Until the Commission receives and reviews the supplemental information, the application cannot proceed. Sweetwater must not issue notice until the application is deemed administratively complete.

By August 19, 2021, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.
