Re: Docket No. 51904 - Application of Monarch Utilities I L.P. to Amend its Certificates of Convenience and Necessity in Harris and Liberty Counties

To the Commission:

Order No. 12 issued on June 14, 2022 in the above-styled docket set June 27, 2022 as the deadline for Monarch to file signed consent forms. Monarch has received proposed final tariffs from the Commission Staff but still has minor issues it wishes to work out with the staff before consenting. Therefore, Monarch hereby respectfully requests the deadline to file its consent to the tariffs be extended eight days until July 5, 2022.

Monarch previously filed its consent to the maps and certificates in this docket on February 14, 2022. This request is not intended for the purpose of unnecessary delay, but to ensure the final documents are complete and accurate. Please let me know if any additional information is needed at this time.

Sincerely,

/s/ George Freitag
