**ORDER NO. 1
REQUIRING CLARIFICATION**

This Order addresses the March 17, 2021 applications of Palo Duro Service Company, Inc. in the current docket and in Docket No. 51908, for a class D rate adjustment for its certificate of convenience and necessity number 12200.

By March 26, 2021, the administrative law judge (ALJ) requests that the parties file recommendations on whether Docket Nos. 51907 and 51908 should be consolidated into one docket. The parties are also required to clarify whether, if the dockets remain separate, each docket qualifies as an individual rate adjustment under TWC § 13.1872(f) or if the dockets would be considered as one rate adjustment. Further, the ALJ requests clarification as to the number of customer count for each system owned and operated by the applicant, including any system not listed in Docket Nos. 51907 and 51908.

Signed at Austin, Texas the 19 of March 2021.
