**ORDER NO. 2
GRANTING MOTION TO CONSOLIDATE**

This Order addresses Commission Staff's March 26, 2021 recommendation to consolidate the applications of Palo Duro Service Company, Inc. for a Class D rate adjustment in Docket Nos. 51907 and 51908. Palo Duro is not opposed to the consolidation of Docket Nos. 51907 and 51908.

On March 17, 2021, Palo Duro filed separate applications for Class D rate adjustments for four subdivisions it serves under the same certificate of convenience and necessity (CCN), CCN number 12200. Specifically, in Docket No. 51907, Palo Duro applied for a Class D rate adjustment for the Duchane Chateaux, Glider Base Estates, and Trinity River subdivisions. In Docket No. 51908, Palo Duro applied for a Class D rate adjustment for the Aledo Ridge subdivision. In both dockets, Palo Duro request approval to adjust its minimum monthly charge and gallonage rates by 5%.

The administrative law judge finds that consolidation is warranted, under 16 Texas Administrative Code § 22.34, because the two dockets involve common questions of law and fact, and consolidation would serve the interest of efficiency. Therefore, Docket Nos. 51907 and 51908 are consolidated into Docket No. 51907. All future filings will be made only in Docket No. 51907 and styled as follows: *Application of Palo Duro Service Company, Inc. for a Class D Rate Adjustment.*

Signed at Austin, Texas the 5 day of April 2021.
