MONTGOMERY COUNTY	§	

APPLICANT'S REQUEST FOR EXTENSION

On April 21, 2022, Applicant received Commission Staff's Second Request for Information. On May 9, 2022, Applicant's request for extension was granted and the deadline was extended to June 10, 2022.

As of today, Applicant has not received the revised letter from the Texas Commission on Environmental Quality (TCEQ). Applicant is respectfully requesting an additional 15-day extension to allow additional time for the Texas Commission on Environmental Quality (TCEQ) to provide us with a revised approval letter that includes the ground storage unit that will be installed to provide sufficient storage service to the area upon total build out. Additionally, Applicant will provide the requested facilities and connections map as requested at that time.

Respectfully submitted,
