**ORDER NO. 2  
FINDING APPLICATION INSUFFICIENT,  
ESTABLISHING DEADLINES AND OPPORTUNITY TO CURE**

This Order addresses the administrative completeness of the March 22, 2021 application of Quadvest, L.P. to amend its water certificate of convenience and necessity (CCN) number 11612 and sewer CCN number 20952 in Montgomery County. On April 21, 2021, Commission Staff filed its recommendation on administrative completeness.

The administrative law judge finds the application is administratively incomplete and insufficient for further review in accordance with 16 Texas Administrative Code (TAC) § 24.8(b).

Under 16 TAC § 24.8(d), the Commission does not consider an application filed until it finds the application administratively complete. Thus, at this time the application is not considered filed with the Commission.

By May 21, 2021, the applicant must supplement the application to cure the deficiencies described in Patricia Garcia's April 21, 2021 memorandum attached to Commission Staff's sufficiency recommendation. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

By June 18, 2021, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.
