This Order addresses the March 24, 2021 petition of Montgomery Estates, LLC to amend CC Water Works, Inc.'s water certificate of convenience and necessity (CCN) in Chambers County by streamlined expedited release. Montgomery Estates seeks the expedited release of a 98.883 portion of their 100 acre tract of land that lies within CC Water's water CCN number 13038.

I. Requiring Comments on Administrative Completeness, Notice, and Other Matters

By April 26, 2021, Commission Staff must file comments regarding the administrative completeness of the petition and notice.

Under Texas Water Code (TWC) § 13.2541 and 16 Texas Administrative Code (TAC) § 24.254(h), this proceeding is not a contested case and no opportunity for hearing is provided. However, under 16 TAC § 24.245(h)(6), CC Water may submit a response to the Commission. Accordingly, by May 3, 2021, CC Water may submit a response, verified by a notarized affidavit, to the petition.

II. Establishing Procedural Schedule

The following procedural schedule applies to this proceeding:

Commission Staff's comments on the administrative completeness of the petition and notice	April 26, 2021
Deadline for response from C C Water	May 3, 2021

Additional deadlines will be established if the petition is deemed administratively complete.

III. Filing Requirements

Unless otherwise specified, an original and ten copies of documents relating to this proceeding must be filed with the Commission's filing clerk in accordance with 16 TAC § 22.71. A copy of each document filed with the Commission must also be served on all parties as required by 16 TAC § 22.74. All filings can be accessed on the PUC Interchange webpage at, <https://interchange.puc.texas.gov>.

Service of pleadings is typically governed by 16 TAC § 22.74. However, the Commission has issued a Second Order Suspending Rules,¹ which has suspended the service requirements found in 16 TAC § 22.74. As long as the Second Order Suspending Rules remains in effect, all parties must file any pleading or document with the Commission solely through the Interchange on the Commission's website and provide notice, by email, to all other parties that the pleading or document has been filed with the Commission, unless otherwise ordered by the presiding officer. It will be incumbent upon all other parties to obtain a copy of the pleading or document by accessing the Interchange.

All parties will provide their current addresses, **e-mail addresses**, telephone and fax numbers, if available, to all other parties and the Commission by filing and serving all parties with such information. Each party must provide the Commission and all parties with updated address, **e-mail address**, telephone, and fax information, if such information changes. The **e-mail addresses**, telephone and fax numbers will be placed on the service list for this proceeding. Parties are responsible for updating their own service lists to reflect changed information and the addition of any other parties.

IV. Ex Parte Communications

Ex parte communications with the ALJ are prohibited under 16 TAC § 22.3(b)(2). Parties should communicate with the ALJ only through written documents filed with the Commission's filing clerk and served on all parties.
