**COMMISSION STAFF'S RESPONSE TO ORDER NO. 3 REQUIRING
CLARIFICATION**

On June 9, 2021, the administrative law judge filed Order No. 3 requiring the Staff (Staff) of the Public Utility Commission of Texas (Commission) and NPH Market Street, LLC (collectively, Parties) to file a clarification of the name of the entity that holds certificate of convenience and necessity (CCN) No. 20465 on or before June 16, 2021. Specifically, Order No. 3 requested that the Parties file a response with the correct name of the CCN holder. Therefore, this pleading is timely filed.

I. STAFF'S CLARIFICATION

On June 1, 2021, Staff filed its recommendation on final disposition and therein referred to the holder of CCN No. 20465 as "Gulf Coast Authority," while the certificate and map attached to the recommendation stated that the name of the CCN holder is "Gulf Coast Waste Disposal Authority." Staff hereby clarifies that the proper name of the holder of CCN No. 20465 is Gulf Coast Authority per a legislative change.¹ Staff has conferred with counsel for NPH who indicated that NPH agrees with this clarification.

Staff will file any updated or revised documents needed to reflect the name change to Gulf Coast Authority, such as an updated map and certificate, on or before June 30, 2021.

II. CONCLUSION

Staff respectfully clarifies that "Gulf Coast Authority" is the correct name of the entity that holds CCN No. 20465 and will file a revised map and certificate making this correction as needed on or before June 30, 2021.
