**ORDER NO. 2  
FINDING APPLICATION DEFICIENT, ESTABLISHING  
DEADLINES AND OPPORTUNITY TO CURE**

This Order addresses the April 8, 2021, application of the City of Burleson to amend its sewer certificate of convenience and necessity in Johnson County. On May 10, 2021, Commission Staff filed a recommendation on administrative completeness.

The administrative law judge finds the application remains administratively incomplete and deficient. Under 16 Texas Administrative Code § 24.8(d), the Commission does not consider an application filed until it makes a determination that the application administratively complete. Thus, at this time the application is not considered filed with the Commission.

On or before June 7, 2021, the applicant must supplement the application to cure the deficiencies as described in the May 10, 2021 memorandum of Jolie Mathis. Until the Commission receives and reviews the supplemental information, the application cannot proceed. The applicant must not issue notice until the application is deemed administratively complete.

On or before July 5, 2021, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.
