Pursuant to 16 Texas Administrative Code § 22.144 (TAC), the Staff (Staff) of the Public Utility Commission of Texas (Commission) requests that CPR Water Supply Company, LLC (CPR Water) by and through their attorney of record, provide the following information and answer the following question(s) under oath.

On March 23, 2022, Staff filed requests for information (RFIs) to CPR Water. Staff inadvertently titled the request for information “Staff’s Fourth Request for Information to CPR Water...” Instead, Staff should have titled its March 23, 2022, filing “Commission Staff’s Fifth Request for Information to CPR Water...” Staff now files this amended fifth RFI to CPR Water for clarification. The requests for information included herein only change the numbers of the requests and not their substance. Accordingly, Staff’s request for extension filed on March 24, 2022 which referenced Staff’s fourth RFI, should have referenced Staff’s fifth RFI.

The question(s) shall be answered in sufficient detail to fully present all of the relevant facts, within the time limit provided by the Presiding Officer or within 20 days, if the Presiding Officer has not provided a time limit. Please copy the question immediately above the answer to each question. These question(s) are continuing in nature, and if there is a relevant change in circumstances, submit an amended answer, under oath, as a supplement to your original answer. State the name of the witness in this cause who will sponsor the answer to the question and can vouch for the truth of the answer.

Provide responses to the Requests for Information by filing with the Commission solely through the Interchange on the Commission's website and provide notice, by email, to all other parties that the pleading or document has been filed with the Commission, unless otherwise ordered by the presiding officer pursuant to the Order Suspending Rules in Docket No. 50664.
