RE: Correspondence related to P.U.C. Docket No. 52004; *Petition of DPSFLP Ltd. to Amend Aqua Texas, Inc.'s Certificate of Convenience and Necessity in Montgomery County by Expedited Release*

DATE: May 3, 2021

The administrative law judge (ALJ) received the attached correspondence pertaining to the above-styled docket.

The ALJ believes that the correspondence is meant to be a response from DPSFLP to Order No. 2.¹ Parties will not be served copies of the attached document but can access it through the Commission's Interchange at <https://interchange.puc.texas.gov/>.

Please note that the ALJ may not directly or indirectly communicate in connection with an issue of fact or law with any state agency, person, party, or representative of those entities, except on notice and opportunity for each party to participate. See Texas Government Code § 2001.061.

As already specified in Order No. 1, DPSFLP must only communicate with the ALJ through written documents filed with the Commission's filing clerk and served on all parties.

Nancy,

We have received your Order No. 2 regarding clarification for why another petition was filed on April 29th. When I spoke to Gary I must have misunderstood the purpose of the Interchange Filing process for the PUC. I believed it to be necessary for any petition as a means of record copying. If that is not the case, please disregard the submittal that was entered on April 29th as it is just a copy of what was submitted on April 9th.

Thank you,

Andrew Brown
