ORDER NO. 6
GRANTING EXTENSION

This Order addresses Commission Staff's August 31, 2021 request for extension to file a supplemental recommendation on administrative completeness of the application. Commission Staff states it continues work with the applicants and Wellborn Special Utility District to determine which entity will serve the existing customers. Commission Staff represents that the applicants and Wellborn SUD do not oppose the extension.

The administrative law judge grants the extension. On or before October 1, 2021, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

Signed at Austin, Texas the 31st day of September 2021.
