**NOTICE FINDING APPLICATION INSUFFICIENT**

This Order addresses the sufficiency of the April 15, 2021 application of Inline Development Inc. for approval of a proposed pass-through rate change related to water use fees imposed by North Harris County Regional Water Authority.

On May 17, 2021, Commission Staff filed its recommendation on the application.

The administrative law judge (ALJ) finds the application insufficient and directs the applicant to cure the deficiencies as described in the May 17, 2021 memorandum of Leila Guerrero, attached to Commission Staff's recommendation. Additionally, Inline must refrain from charging the requested pass-through rate of \$4.72 per 1,000 gallons until the application is approved and affected customers have been re-noticed.

The ALJ establishes the following procedural schedule for continued processing:

Deadline for Inline to file supplemental information to cure the deficiencies identified by Commission Staff	June 1, 2021
Deadline for Commission Staff's supplemental recommendation on the application and notice	June 14, 2021
