**ORDER NO. 11¹
LIFTING ABATEMENT AND ESTABLISHING DEADLINE**

On April 4, 2024, Commission Staff filed a status update, request to lift the abatement, and request to establish a deadline for a proposed procedural schedule. Commission Staff states that Inline Utilities LLC received a notice of approval in Docket No. 54729, the proceeding in which Inline Utilities LLC acquired the facilities and service area from the now defunct Inline Development Corporation.² Therefore, abatement of this docket is no longer necessary. Commission Staff represents that Inline agrees to the abatement being lifted.

The administrative law judge grants Commission Staff's request and lifts the abatement of this docket for continued processing.

By April 18, 2024, the parties must file a proposed procedural schedule.

Signed at Austin, Texas the 11th day of April 2024.
