Re: Docket 52035 – Application of Monarch Utilities I L.P. to Amend Its Certificate of Convenience and Necessity in Parker County

Request for an Extension

To the Commission:

Monarch Utilities I L.P. (Monarch) respectfully requests an extension of time to extend the deadline to return its consent to the maps and tariff submitted in this docket to September 8, 2021. The original deadline for filing the consent forms was August 25, 2021 and the requested extension is 14 days from that date.

The water tariff issued on August 11 had some minor issues that were being resolved in a concurrent docket (50424). Monarch initially expected that issue to be fixed prior to the consent deadline. This request is not intended for the purpose of unnecessary delay, but in the hope that that the issues to be resolved will result in both dockets to continue to be processed in a timely manner. Monarch has notified the Commission staff that it intends to file this extension request and has requests their agreement.

Please contact me if any additional information is required at this time.

Sincerely,

/s/ George Freitag
