Re: Docket 52035 – Application of Monarch Utilities I L.P. to Amend Its Certificate of Convenience and Necessity in Parker County

Monarch's Request for an Extension

To the Commission:

Order No. 7 in this Docket set October 8, 2021 as the deadline for Monarch (the applicant) to file its consent forms. Monarch Utilities I L.P. (Monarch) respectfully requests an additional extension of time to submit the consent to October 22, 2021.

The water tariff originally issued on August 11 had some minor issues that were being resolved in a concurrent docket (50424). Monarch is working with the Commission staff to get the tariff in that docket clarified and has consented to the proposed documents. An extension in this docket will provide time to get the proper tariff out for review.

This request is not intended for the purpose of unnecessary delay, but in the hope that that the issues to be resolved will result in both dockets to continue to be processed in a timely manner. Monarch is copying the Commission staff and is requesting their agreement.

Please contact me if any additional information is required at this time.

Sincerely,

/s/ George Freitag
