Re: SOAH Docket No. 473-21-2424; PUC Docket No. 52067 – *Application of Entergy Texas, Inc. to Adjust Its Energy Efficiency Cost Recovery Factor and Request to Establish Revised Cost Caps*

Dear Judge Johnson:

The parties have consulted and agreed that the hearing scheduled for August 16, 2021 will not be necessary in this proceeding. Parties support moving into the briefing stage with initial and reply briefs due on August 27, 2021 and September 14, 2021, respectively, pursuant to the procedural schedule set out in State Office of Administrative Hearings (“SOAH”) Order No. 2. Parties will still file exhibit lists and deliver exhibits to SOAH on August 13, 2021, as directed by SOAH Order No. 2. Parties have agreed on the exhibits to be offered by each party and have no objections to the entry of these exhibits into the record. Accordingly, parties believe there is no longer a need for the prehearing conference scheduled for August 13, 2021, and respectfully request that the Administrative Law Judge cancel the conference.

Thank you for your assistance in this matter. If you have any questions, please do not hesitate to contact the undersigned counsel.

Sincerely,

A handwritten signature in black ink, appearing to read "Erika N. Garcia".
