**ORDER NO. 2
FINDING APPLICATION, AS AMENDED,
ADMINISTRATIVELY COMPLETE AND ACCEPTED FOR FILING**

This Order addresses the administrative completeness of Caney Creek Utilities' application for a Class D rate adjustment under Texas Water Code § 13.1872 and 16 Texas Administrative Code (TAC) § 24.49, filed on May 4, 2021. On May 18, 2021, Caney Creek filed an amended application. Commission Staff recommended that the application, as amended, be found administratively complete and accepted for filing.

The administrative law judge (ALJ) finds Caney Creek's application, as amended, administratively complete and accepted for filing. The ALJ establishes an effective date of the rate increase of August 19, 2021.

Under 16 Texas Administrative Code § 24.49(e), Caney Creek is required to provide notice to each ratepayer after it receives a written notice of approval issued by the Commission and at least 30 days before the effective date of the proposed rate change. Because a notice of approval has not yet been issued, the ALJ instructs Caney Creek not to provide notice to ratepayers until a notice of approval is issued in the present docket.

Signed at Austin, Texas the 4th day of June 2020.
