**ORDER NO. 9  
GRANTING REQUESTS FOR EXTENSION**

This Order addresses Dobbin Plantersville Water Supply Corporation's August 20, 2021 agreed second motion for extensions of the deadlines to respond to Redbird Development, LLC's requests for information and to file corrections and exceptions to the proposed order. Dobbin stated that more time is needed to prepare the responses because the contacts that hold the applicable information at Dobbins continue to be unavailable due to illness. One employee is available, however it is unknown if the employee has access to any responsive information. Dobbin further indicated that Redbird and Commission Staff are unopposed to the request.

The administrative law judge (ALJ) grants Dobbin's requests for extension. By September 7, 2021, Dobbin must file its response to Redbird's requests for information and its corrections and exceptions to the proposed order.
