A revised proposed order in the above-referenced docket is posted for consideration and action by the Commission. If the Commission adopts the revised proposed order, I recommend the following changes.

Two new findings of fact should be added before finding of fact 8 to address additional filings in this proceeding.

XX. On February 15, 2022, Commission Counsel filed a memorandum requesting the petitioner file additional information to support its amended petition.

XX. On February 18, 2022, the petitioner filed a clarification letter with an attached map.

Additionally, the Commission should delegate to the Office of Policy and Docket Management the authority to modify the order to conform to the *Citation and Style Guide for the Public Utility Commission of Texas* and to make other non-substantive changes to the order for such matters as capitalization, spelling, grammar, punctuation, style, correction of numbering, and readability.
