**ORDER NO. 4  
REQUIRING RESPONSES**

In this proceeding, CCD-North Sky, LLC seeks to amend Marilee Special Utility District's water certificate of convenience and necessity in Collin County by streamlined expedited release. On June 16, 2021, Marilee SUD filed its response to the petition and a motion to dismiss. Marilee SUD argues that the petition should be dismissed because: (1) the property is receiving service through an active residential meter within the area CCD-North Sky requests to be released and the petition fails to show otherwise; and (2) the petition is administratively incomplete and cannot be cured within the statutory 60-day timeline under Texas Water Code § 13.2541(c).

By June 30, 2021, CCD-North Sky must file a response to the objections filed by Marilee SUD.

By July 7, 2021, Commission Staff must file a reply to Marilee SUD's motion to dismiss and factual allegations and petitioners' response to Marilee SUD's motion to dismiss.
