**ORDER NO. 2**

**FINDING APPLICATION ADMINISTRATIVELY COMPLETE, NOTICE  
SUFFICIENT, AND ESTABLISHING SCHEDULE**

This Order addresses the administrative completeness and sufficiency of notice of the May 13, 2021 application of the San Antonio Water System and Yancey Water Supply Corporation for approval of a service-area contract under Texas Water Code § 13.248 and to amend their water certificates of convenience and necessity (CCN) in Medina County. On June 14, 2021 Commission Staff filed its recommendation on administrative completeness, sufficiency of notice, and proposed procedural schedule.

The administrative law judge (ALJ) finds the application administratively complete. Further, the ALJ finds that the petitioners have satisfied the notice requirements of 16 Texas Administrative Code § 24.253(c) and that no further notice is required.

The ALJ adopts the following procedural schedule:

Event	Date
Deadline for intervention	June 25, 2021
Deadline for Commission Staff to provide final maps, certificates, and tariffs (if applicable) to applicants	July 19, 2021
Deadline for applicants to file signed consent forms with the Commission; deadline to request a hearing	August 2, 2021
If no hearing is requested, deadline for Commission Staff to file a final recommendation on the application	August 9, 2021
If no hearing is requested, deadline for the parties to file joint proposed findings of fact and conclusions of law	August 16, 2021
