**UNDINE DEVELOPMENT, LLC’S SECOND SUBMITTAL OF SUPPLEMENTAL
INFORMATION**

COMES NOW, Undine Development, LLC (“Undine”) and files this Second Submittal of Supplemental Information, and in support thereof, respectfully shows the following:

On October 12, 2021, Commission Staff requested further information regarding the name of the development and the name of the wastewater treatment facility under TCEQ ID WQ0015473-001. In response, Undine provides the following:

The name of the facility is the “Addie Wastewater Treatment Facility.” The TCEQ page for WQ0015473-001 has the wastewater treatment facility identified as Indian Hill Harbor Wastewater Treatment Facility. However, it is referred to as the Addie Wastewater Treatment Facility in all of the permits. There appears to have been some confusion during the permit transfer process. Undine is in the process of addressing that issue with the TCEQ.

The name of the development is “The Addie Development.” The development was originally named Rob Roy 360, based on the original permit holder, 360 Development, LLC. The development was transferred to VCT Addie, LLC. VCT Addie, LLC now refers to it as The Addie Development, which is how Undine identifies it in all of its documents.

Respectfully submitted,

DuBois, Bryant & Campbell, LLP
