Dear PUC,

I am requesting this CCN amendment be put on hold. Our CCN # 12243 will be adversely affected by this action.

I sent in a protest letter and have been trying to contact PUC personnel ever since. I called Melissa Etheridge on 1/6/22, 1/7/22, 1/14/22, 1/20/22 and got no response.

I am requesting become a party of these proceedings.
