**COMMISSION STAFF'S RECOMMENDATION ON ADMINISTRATIVE
COMPLETENESS AND NOTICE AND PROPOSED PROCEDURAL SCHEDULE**

On May 27, 2021, Aqua Texas, Inc. (Aqua Texas) filed an application to amend its certificate of convenience and necessity (CCN) in Collin County. Aqua Texas holds water CCN No. 13201. The requested service area consists of 138 acres, zero existing connections, and 924 proposed connections. Aqua Texas filed supplemental information on June 23, 2021.

On May 28, 2021, the administrative law judge (ALJ) filed Order No. 1, establishing a deadline of June 28, 2021 for the Staff of the Public Utility Commission of Texas (Staff) to file comments on the administrative completeness of the application and proposed notice and to propose a procedural schedule for the further processing of this docket. Therefore, this pleading is timely filed.

I. ADMINISTRATIVE COMPLETENESS

Staff has reviewed the application and, as detailed in the attached memoranda from Patricia Garcia, Infrastructure Division, and Fred Bednarski, Rate Regulation Division, recommends that the application is administratively complete. Staff's recommendation on administrative completeness is not a comment on the merits of the application.

II. NOTICE

At this time, Staff recommends that Aqua Texas proceed with providing public notice to all landowners, neighboring utilities, political subdivisions, and other persons listed in the attached memorandum using the notice form provided by Ms. Garcia. Along with each individual notice, Staff recommends that Aqua Texas provide an accurate map delineating the requested service area. Staff further recommends that Aqua Texas publish notice of the application for two consecutive weeks in a newspaper of general circulation in Collin County.

Once notice has been provided, Staff recommends that Aqua Texas file proof of notice as described in the attached memorandum, including an affidavit specifying the name and address of every person and entity to whom notice was provided, the date that the notice was provided, and a copy of the map provided with the notice. Aqua Texas should also provide a completed publisher's affidavit and a copy of the newspaper tear sheets demonstrating publication. Finally, Staff recommends that Aqua Texas use the attached notices and affidavits to meet these requirements.

III. PROCEDURAL SCHEDULE

Staff recommends the application be found administratively complete. Staff, with agreement from Aqua Texas, therefore proposes the following procedural schedule:

Event	Date
Deadline for Aqua Texas to file with the Commission signed affidavits that the notice was given along with a copy of the notice and map sent to the affected parties and published in a newspaper of general circulation	August 12, 2021
Deadline for Staff to file a recommendation on sufficiency of notice	August 23, 2021
Deadline to intervene	30 days after notice is issued

IV. CONCLUSION

For the reasons detailed above, Staff recommends that the application be found administratively complete, that Aqua Texas be directed to provide notice as described in Ms. Garcia's attached memorandum, and that the proposed procedural schedule be adopted. Staff respectfully requests the entry of an order consistent with these recommendations.

Dated: June 28, 2021
