EL PASO ELECTRIC COMPANY'S SUPPLEMENTAL RESPONSE TO
CITY OF EL PASO'S FIRST REQUEST FOR INFORMATION
QUESTION NOS. CEP 1-1 THROUGH CEP 1-28

CEP 1-13:

Please provide project descriptions, in-service dates, and cost/benefit summaries for each production plant, distribution plant and transmission plant capital project having a cost more than \$2 million which is being included in EPE's rate base for the first time in this case.

SUPPLEMENTAL RESPONSE:

CEP 1-13 Attachment 1 Confidential Voluminous had an incorrect capital project included. Instead of providing Project Number 100095, El Paso Electric Company inadvertently included Project Number 110095. Please refer to CEP 1-13 Attachment 1 Supplemental Confidential Voluminous for the corrected attachment to CEP 1-13.
