Re: SOAH Docket No. 473-21-2606, PUC Docket No. 52195; *Application of El Paso Electric Company to Change Rates*

Dear Sir or Madam:

Simultaneous with the filing of this letter, I am filing the workpapers of Jeffry Pollock and Billie S. LaConte related to their respective direct testimonies filed on behalf of Freeport-McMoRan, Inc. ("FMI") in the above-referenced case. All of the workpapers, except FMI's revised class cost of service study ("CCOSS"), are public. FMI's CCOSS is filed under seal as Highly Sensitive Protected Material. In addition, any document or reference in footnotes in the testimony are available upon request given their voluminous size.

If anyone in the case, including the Administrative Law Judges, need access to the FMI CCOSS or the footnote documents, please contact Lynn Needles at lneedles@enochkever.com and/or (512) 615-1229. As always, if you have any questions, please do not hesitate to contact me.

Sincerely,

Katherine K. Mudge
