Re: *Application of El Paso Electric Company to Change Rates*, PUC Docket No. 52195; SOAH Docket No. 473-21-2606

Dear Sir/Madam,

On October 25, 2021, Texas Industrial Energy Consumers (TIEC) inadvertently filed in public format information that is designated as Confidential in the Workpapers to the Direct Testimony of Kevin C. Higgins (Item no. 308). Please remove this filing from the Interchange as soon as possible. A corrected version, in addition to the Confidential portion, is being filed today. TIEC respectfully requests that the parties delete the native file "EPE Regulatory Case Working Model - Dkt 52195 TIEC Direct WP" previously provided. A version that is properly designated as Confidential will be distributed to parties who have signed the protective order issued in this case.

Respectfully submitted,

/s/ Benjamin B. Hallmark

Benjamin B. Hallmark,  
Attorney for Texas Industrial Energy Consumers
