PUC DOCKET NO. 52195

APPLICATION OF EL PASO	§	BEFORE THE STATE OFFICE
ELECTRIC COMPANY TO CHANGE	§	OF
RATES	§	ADMINISTRATIVE HEARINGS

OFFICE OF PUBLIC UTILITY COUNSEL’S
SECOND REQUEST FOR INFORMATION TO
FREEPOR-T-MCMORAN, INC.

Pursuant to 16 Texas Administrative Code (“TAC”) § 22.144, the Office of Public Utility Counsel (“OPUC”) submits this Second Request for Information to Freeport-McMoRan, Inc. (“Freeport”). OPUC requests that Freeport provide answers to the request for information under oath as required by 16 TAC § 22.144(c)(2)(F) within the timeframe specified in the procedural schedule in this proceeding. OPUC further requests that Freeport provide an answer to the questions and sub-questions in the order listed below with sufficient detailed information to provide a complete and accurate answer to each question and sub-question.

Definitions

1. “Freeport-McMoRan,” “Freeport,” the “Company,” “Applicant,” “You,” and “Your” refer to Freeport-McMoRan, Inc. and its affiliates, subsidiaries, and any person acting or purporting to act on their behalf, including without limitation, attorneys, agents, advisors, investigators, representatives, employees, or other persons.

2. “Document” and “documents” include any written, recorded, filmed, or graphic matter, whether produced, reproduced, or on paper, cards, tape, film, electronic facsimile, computer storage device, or any other media, including, but not limited to, electronic mail (e-mail), memoranda, notes, analyses, minutes, records, photographs, correspondence, telegrams, diaries, bookkeeping entries, financial statements, tax returns, checks, check stubs, reports, studies, charts, graphs, statements, notebooks, handwritten notes, applications, contracts, agreements, books, pamphlets, periodicals, appointment calendars, records and recordings of oral conversations, work papers, observations, commercial practice manuals, reports, summaries of interviews, reports of consultants, appraisals,

forecasts, tape recordings, or any form of recording that is capable of being transcribed into written form.

Instructions

1. The Definitions, Instructions, and Claim of Privilege sections set forth in this request for information apply to these questions.
2. In providing an answer to each question, please furnish all of the information that is in your possession, custody, or control, as defined by Texas Rules of Civil Procedure (Tex. R. Civ. Proc.) 192.7(b), including information in the possession, custody, or control of your affiliates, subsidiaries, and any person acting or purporting to act on their behalf, including without limitation, attorneys, agents, advisors, investigators, representatives, employees, or other persons.
3. Please answer each question based upon your knowledge, information, or belief, and state whether each answer is based upon your knowledge, information, or belief.
4. If you have possession, custody, or control, as defined by Tex. R. Civ. Proc. 192.7(b), of an original requested document, please produce the original requested document or a complete copy of the original requested document and all copies that are different in any way from the original requested document, whether by interlineation, receipt stamp, or notation.
5. If you do not have possession, custody, or control of an original requested document, please produce copies of the document, however made, in your possession, custody, or control. If any requested document is not in your possession, custody, or control, please explain why the document is not in your possession, custody, or control and provide the current location and custodian of the requested document or any copy, summary, or other form of the requested document thereof.
6. If there is any confusion about a question, please contact the undersigned counsel for clarification.
7. In providing your response to a question, please start each response on a separate page and type, at the top of the page, the question that is being answered by the response.
8. As part of the response to each question, please state, at the bottom of the answer to the question, the name and job position of each person(s) who participated in any way, other than by providing clerical assistance, in the preparation of the answer to the question. If

the question has sub-parts, please identify each person(s) by name and job position that participated in any way, other than by providing clerical assistance, in the preparation of the answer for each sub-part of the question.

9. Please state the name of the witness in this docket who will sponsor the answer to the question and/or sub-part of the question and who will swear to the truthfulness of the answer to the question and/or sub-part of the question.
10. Please provide individual responses to questions as each response becomes available, rather than waiting to provide all of the responses to the questions at the same time.
11. These questions are continuing in nature. If there is a change in circumstances or facts or if you receive or generate additional information that changes your answer to a question between the time of your original response and the time of the hearing, then you should submit, under oath, a supplemental response to your earlier answer to the question.
12. If you consider any question to be unduly burdensome, or if the response would require the production of a voluminous amount of material, please contact the undersigned counsel, as soon as possible, to discuss the situation and try to resolve the issue. Furthermore, if you object to any question on the grounds that the question seeks confidential information, or on any other grounds, please contact the undersigned counsel, as soon as possible, to discuss the situation and try to resolve the issue.
13. If the response to any question is voluminous, please make available all of the voluminous material at a designated location in Austin. Please provide a detailed index for the voluminous material with your response to the question to enable efficient review of the material. The index should include information sufficient to locate each individual document by page, file, and box number, date of each document, title of each document, description of each document if no document title exists, name of the preparer of each document, and length of each document.
14. If the requested information is included in previously furnished exhibits, workpapers, or responses to other discovery inquiries or otherwise, in hard copy or electronic format, please furnish specific references thereto, including Bates Stamp page citations and detailed cross-references to the previously furnished information.

15. If a question requests the production of copyrighted material, you may provide a list of such material, including the title, publisher, author, edition, and page references relied on or otherwise relevant to the question.

Claim of Privilege

If any document is withheld under any claim of privilege, please provide a list that identifies each document for which a privilege is being claimed, including the date, sender, recipient(s) of the privileged document, recipient(s) of copies of the privileged document, subject matter of the privileged document, and the basis upon which a privilege is being claimed by the Company.

SOAH Docket No. 473-21-2606
PUC Docket No. 52195
OPUC's Second Request For Information To
Freeport-McMoRan, Inc.

- 2-1. Please refer to the Direct Testimony and Exhibits of Mr. Jeffrey Pollock at 7:19 – 20. Please provide all citations to the order in which the Public Utility Commission of Texas (“PUC” of “Commission”) determined for El Paso Electric Company (“EPE”) that the load-factor weighting used in the calculation of EPE’s Four Coincident Peak – Average and Excess Demand (“4CP-A&E”) allocator should be based on the actual (unadjusted) single coincident peak-based annual system load factor.
- 2-2. Does Mr. Pollock believe that once the Commission issues a decision concerning the appropriate cost allocation method for one fully-integrated electric utility that it regulates, that decision establishes the precedent for how similar costs must be allocated for all fully-integrated electric utilities the Commission regulates? Please provide a detailed explanation of your response.
- 2-3. Please refer to the Direct Testimony and Exhibits of Mr. Pollock at 9:18 – 10:5. Please identify the docket number of the Southwestern Electric Power Company (“SWEPCO”) case discussed in that section of Mr. Pollock’s testimony. Please also identify whether the Commission’s approved load factor for use in the AED-4CP methodology for SWEPCO in that docket was based on a system 1CP demand or 4CP demand.
- 2-4. Did Mr. Pollock review the loss study filed in Docket No. 51802, Southwestern Public Service Company’s current rate case in which Mr. Pollock testified?
- a. If so, Does Mr. Pollock only recommend that transmission voltage energy loss factors be reduced, OR
 - b. Does Mr. Pollock also recommend that distribution primary and secondary voltages be reduced consistent with his proposed reduction in transmission voltage energy loss factors?
 - b-i. If so, how many one-hour or other period power flows were used to calculate transmission energy loss factors?
- 2-5. Please refer to the Direct Testimony and Exhibits of Mr. Pollock at 24:2 - 5. Please admit or deny that 16 T.A.C. § 25.192 is not applicable to EPE and does not establish the manner by which EPE recovers its transmission costs. If your answer is anything other than an unqualified admittance, please provide a detailed explanation for your response.
