PUBLIC UTILITY COMMISSION
OFFICE OF THE CLERK

**ORDER NO. 2
REQUIRING CLARIFICATION**

This Order requires clarification of Commission Staff's July 6, 2021 recommendation on administrative completeness. Commission Staff recommended that the application be found incomplete and that Sun cure the deficiencies identified in Patricia Garcia's attached memorandum by submitting additional maps. However, Ms. Garcia indicated in her memorandum that the mapping review conducted by Gary Horton, Infrastructure Division, found the maps submitted on June 9, 2021 sufficient.

The administrative law judge request clarification if the maps are sufficient or if this is a typo and in fact the maps are insufficient.

On or before July 9, 2021, Commission Staff must provide a clarification, and, if the submitted maps are sufficient, a supplemental recommendation on administrative completeness and notice and proposed procedural schedule. If the maps are insufficient, Staff's already submitted recommendation will suffice.

Signed at Austin, Texas the 7th day of July 2021.
