Honorary Susan Goodman,

The City Council of Melvin Texas met on January 10,2022 and reviewed Order No. 6.

After much discussion, the Council respectfully asks the Public Utility Commission to grant a request of extension for 31 days, to review our finances and what the City of Melvin can afford to credit back to the outside ratepayers. As the 20th of February falls on a holiday, we ask to have until February 21, 2023.

Please accept my signature, as the mayor is on leave for personal affairs,
